We have optimistic news about his renewal. He has targeted a particular person to join the board. He mentioned we have a lot to look forward to. He attended the High School graduation and feels privileged to be part of it. He has communicated with the board about moving to less frequent meetings. He is committed to keeping the meetings timely. Finally, we continue to make progress on the bond front and as we move forward with attempting to purchase the East Campus. We continue to negotiate with ACCO.

EXECUTIVE DIRECTORS REPORT

Educational Success - Discussion of 2020-21 in person re-entry

Presented by John Cerny

John Cerny thanked Wendy Holtz and Emily Van Luit for a phenomenal job on the graduation. Each graduate and their families were in their own tent.

John Cerny expressed his excitement about the charter renewal process. One other charter school did not get renewed and we have taken on some of their students. West Campus enrollment is looking better.

John Cerny reviewed the plans – hybrid etc. Plans were created by JeffCo superintendent.

We published our plan with either fully remote or in person – 25 at West Campus and 60 at East Campus. DPS and JeffCo announced moving to a fully remote. We are prepared for anything. We continue to be agile. We have spent a lot of time on fully remote and in-person. We have planned to pivot. There are several policies being put in place. We have the right people to make the answers more apparent and are waiting on CDC updates. We will be doing cohorts. We will not be doing any clubs or after school programs. There is tremendous equipment throughout the campuses. We are obtaining touchless screening. We are living and breathing and sleeping this. We are doing everything we can. We are making every single safety change and safety is #1, 2 and 3.

We made changes to the curriculum such as our move to Saxon Math which is more familiar to parents. We are limiting touch to lowering transmission. We had a townhall for our staff and will likely have one for our parents.

The district has 13 scenarios about teachers, child and families having COVID. We reviewed these scenarios.

John Cerny expressed how truly grateful he is to his staff and administration.

COMMENTS FROM THE COMMUNITY

Emily read out the comments from the Community. John Cerny will respond in a townhall with the parents.
